

Email Terms

These terms apply to all emails. Including @yourdomain.tld emails or businesses and personal emails like @gmail.com.

Terms.

Emailing about my site, You can email me asking how I made my site or how to learn site making or recommendations.

Emailing me, You can email me asking questions or just to talk.

Advertising, Please Do NOT email me about advertising or a sponsorship or asking me to check something out or to get me to join something I WILL block your email and if you email me again and you are using a custom email YOUR DOMAIN WILL BE BLOCKED.

My Domain(s), This is marked at the bottom below Appeals.

Jelshroom Mailer, If you are asking to use Jelshroom mailer please note that Jelshroom Mailer is custom made and is self hosted Jelshroom mailer is my own personal email client for my own personal use fun fact it runs in python and the web portal is in haxe so if you want Jelshroom Mailer and or JelMailSecurity v0.1.7 please code your own instead of asking me for something that I have been working on. (if you want to see the login UI for reference please visit jelshroom.win/maillerui.png)

APPEALS, if you have been blocked or your domain has been blocked please email appeal@jelshroom.win the following. Your email/domain in the format below this and the reason why I should unblock your email/domain.

john(at)gmail(dot)com
john(at)yourdomain(dot)tld
